

Spotlight on The 10/10 Visionary Fund

Cancer Foundation for New Mexico Mission:

“To help save lives by providing the needed support to enable every northern New Mexican with cancer to access treatment in Santa Fe”

To ensure this mission continues without interruption the Cancer Foundation for New Mexico established the 10/10 Visionary Fund. The earnings from this permanently restricted endowment will generate ongoing income to help support CFFNM’s mission into the future. To date no patient who qualifies for our services has been turned away and we wish to continue this record of service long term.

If you would like to contribute to this effort, we have listed a number of options below.
